

Disaster Reduction & Rebuilding Begins with Multicultural Harmony!

Tour of the Disaster Reduction and Human Renovation Institute (DRI) - Kobe

Attention International Students Staying in Kobe!

Regularly aired at DRI is a super-realistic video show of the Great Hanshin-Awaji Earthquake (GHAE) of Jan. 17, 1995 to begin with, in addition to a whole collection of photos and other items evidencing the GHAE, other explanatory videos and simulations, some 15,000 pieces of disaster management/mitigation-related information, not to mention the 3D images of the Tsunami waves of the recent Great East Japan Earthquake.

In the way of offering you a good opportunity to think about disaster management, mitigation and reconstruction, we at Mitsui Volunteer Network have arranged for a tour of DRI this time as follows and welcome your participation in this informative event!
